

Entry Slates (Video Upload & Video on Tape)

All entries must be slated.

NOTE: For Video Upload: the Entry Number will be automatically linked upon upload. There is not need to include on your slate.

Slate information must include:

Entry # (Provided by the entry system – only applicable for Video on Tape option)

Entry Name/Title (as entered in the system)

Submitting Company (as entered in the system)

For Single Spot Entry

5 seconds slate

Entry

For Campaign Entry

5 seconds slate

Entry #1

2 seconds black

Entry #2

2 seconds black

Entry#3

- When entering Campaign entries, you will need only one slate for the entire set of spots that compose the campaign.
